**Other Equipment**

- No cell phones or two way radios allowed. If a contestant is found to have either in his/her possession, he/she will be disqualified.
- No air compressor air tools permitted.

**Clothing/Safety Requirements:** All contestants must follow general shop and trade related safety rules (shoes, glasses, and jewelry). All contestants must follow safety rules when operating the hand tools, power tools and machines used in the project. All contestants must be signed off on the safety verification forms, as provided, before competing.

**Special Instructions and Notes:**

**It is impossible for the host school to list all tools you may have instructed your students to us when performing certain tasks. Feel free to bring any additional tools you feel you may require. Please consider all tools required when working on the project as mentioned in the scope of contest.**

**The host school and contest judges reserve the right to check all toolboxes and/or tools for anything that may give any team (in their opinion) an unfair advantage. Any tools and/or equipment that would be deemed as such an advantage will be removed from service from the respective team.**
