Call Faye at (717)263-9033 (x227) or apply online at www.franklinctc.com/adult-education.

Forklift Operators Licensing 12 Hours (Day or Evening) \$225

Obtain basic classroom knowledge and practical experience operating various material handling equipment leading to a forklift operator's license.

Microsoft Office 24 Hours (Day or Evening) \$250

Learn Microsoft Word and Excel. This course is designed to give you an overview of the Microsoft Office Suite from the basics to more advanced to include MS Word and Excel. This class is self-paced, and the instructor will act as the facilitator. Students will be given hands-on experience and work their way through instructions and projects.

Plumbing 24 Hours (Evening Only) \$250

Introduction to DWV (Drain, Waste, Vent). Students will also learn about water supply systems, installation techniques, troubleshooting and repairs, with sinks, toilets, tubs/showers, washing machines, plus backflow prevention and pressure reducers

Cooking with Your Kids 24 Hours (Evening Only) \$250

Mom, Dad, Granddad or Grandma, bring your kids to help them learn how to do some easy cooking such as making cookies, home-made pizza, delicious tacos, exotic sushi, etc. This will be a fun alternate for kids to interrupt the summertime boredom.

Basic MIG Welding 40 hours (Evening Only) \$325

This class is designed for beginners (zero experience is required) and also those who need a refresher with the MIG (GMAW) welding process. Upon completion, students will be familiar with safety, equipment, equipment set up and proper welding techniques.

CNC Machining 60 Hours (Day Only) \$400

This class will provide certified skill in an in-demand occupation. Blueprint reading, Geometric Dimensions and Tolerances, part inspection, cutting theory, manual machining, CNC setup & operation. NIMS CNC Mill Operator certification possible for the serious student.

Nurse Assisting Certification 125 Hours (Day Only) \$1250

This class is approved by the Pennsylvania Department of Education and consists of approximately 65 hours of classroom/lab instruction and 60 hours of hands-on clinical experience at a local healthcare facility. At the successful completion of this course, you will be able to sit for the Nurse Aide certification exams.
