

FCCTC Symptom Screening Tool

All Students, Faculty, and Staff who have not been vaccinated against Covid-19 must complete this self-assessment each morning before coming to FCCTC.

Please take your temperature.

Are you/is the student taking any medication to treat or reduce a fever such as Ibuprofen (i.e. Advil, Motrin) or Acetaminophen (Tylenol)?

Are you/is the student experiencing any of the following?

Category A 1 or more symptoms	Category B 2 or more symptoms
Fever (100.4 or higher) Cough Shortness of breath Difficulty breathing	Sore throat Runny nose/congestion Chills New lack of smell or taste Muscle pain Nausea or Vomiting Headache Diarrhea

Stay home if, you or the student:

- Have one or more symptoms in Category A **OR**
- Have two or more symptoms in Category B **OR**
- Are taking fever reducing medication.
- Have experienced exposure to a COVID positive or presumed positive person.

If you have a positive test for Covid-19, please notify the school immediately so that we can begin contact tracing.
