

Dear Community Supporter and Friend~

The Alumni Association of Career Tech is hosting their annual golf tournament on Saturday, **October 15, 2022 at Greencastle Greens Golf Course** to benefit current Career Tech students. The proceeds from this tournament will be used to help underprivileged students buy the necessary tools and uniforms to learn and practice their chosen trade. Money may also be used in the form of scholarships for exceptional seniors who plan to attend a post-secondary institution. Below are several options that your business can help make a difference in a student's life. We raised over \$10,000.00 last year from continued support of businesses like yours and we are so grateful for your dedication and help in making this a success!

Event Sponsor - Includes full color logo on all event flyers distributed throughout the county, on course signage, welcome bag literature and a *free team*. **Cost \$650.00**

Signage Sponsor – A sign on tee box with your logo. **Cost \$100.00 each** (Multiple signs may be purchased and placed at the same hole location or multiple hole locations.
